Dear Praying Friends,

It is a joy to be able to report to you what the Lord is doing in the Bethesda Fundamental Baptist Institute, in Monterrey, Mexico.

Focusing On Our Graduates: Itzel Vera.

Itzel (pictured to the right) came to know the Lord by way of a Bible tract left on a bus on the 27 of March, 2002. She read the tract and was convicted of her sin, and asked Christ to come into her heart and save her. She did not start growing in the Lord until a friend at work invited her to go to church (Bethesda). She made her profession public, and the day she was baptized her dad came and was saved, but her mom refused to go. Michelle and I had the privilege of winning her to the Lord at their home. Both parents testify that had it not been for their daughter getting saved they would have been divorced. Itzel knew that God wanted to use her in some capacity, so she enrolled in the Institute in 2008 and the first course she took was one that Michelle taught on Christian womanhood. She graduated in August of 2012 with a 93 grade average. She now serves the Lord in one of the new missions as a Sunday School teacher and is writing Sunday School lessons for children as the main part of her ministry. Because of her testimony, many family members have been saved and her dad is even going to the institute!

Current Institute News:

Michelle and I went to Monterrey in April and while we were there, it was our joy to see the student body (48 students) and teachers at work. Juan de Dios was teaching the course the Message, Messenger & Ministry, while his wife Letty was teaching Christian Womanhood. The Word continues to be taught!

In Him,

Received for the Institute in February and March, 2013
