THE REST OF THE STORY FOR 2013

We rejoice in what the Lord has done in these past months. We no longer hold services in our house because we have relocated the Mission by renting a house exclusively for the ministry. We are excited in the relocation of the neighborhood and the extra space that we have to reach out to more souls here in San Miguel de Allende. We have also expanded our Sunday School Program to three classes, which includes the adults, teenagers, and children's classes.

We had a visiting Pastor and his youth group come for a day to pass out tracts and hold a youth service in the evening. The service was well attended and we had a good time of fellowship. As a result we had a teenage girl come to the services because some of the teens had left a tract on her door.

As a footnote we have some youth that play instruments in an orchestra in town as well as playing in our mission on Sunday mornings. They rent their instruments with lack of funds to purchase. I would like to ask if there is anyone that would donate their used instruments or know of someone that we could contact in regards of receiving used instruments (string, brass, and etc.). As the Lord leads, please let us know in regards to this need and desire that we have for our youth.

Prayer Request:

1. Pray for souls to be saved / baptized.
2. Continue to pray for Ismael, the young man who needs kidney transplant, and for his spiritual growth.
3. Pray with us for a future property to build a place of worship for the mission.
4. Pray with us for Pastor Juan Pablo and his family who will be visiting with us in January to see if it is the Lords will to work together in the mission that we have started.
5. Pray for us to have wisdom for the ministry and for our personal lives.
6. Pray for our physical and spiritual strength.

Thank you all for your prayers and financial support to be your missionaries. May we be faithful serving our Lord in our local churches in 2014.
