

December 2014

Dear Pastor and Church,

Here we are again, at the end of the year and can't complain about anything or anyone. I tried real hard but I couldn't find a thing.....Praise the Lord!

The Travels.....has been such a blessing. Regina and I were in 28 churches in two months and 10 of those were new churches with 7 of them promising monthly support.

I can't even begin to tell you how the Lord supplied for our needs. It was blessing to have churches who have mission apartments for housing. They were a great blessing as well and they were very comfortable and restful.

The Testimonies.....of God's people was a blessing as well. We met some of you for the first time and many of you have carried us in your prayers for many years.

Some of the Pastors were new to us and we were appreciative for their vision in their ministry and for the mission endeavor around the world.

The Lord seems to bring the Preacher and the Missionary in these areas and they are able to work together for the sake of the Gospel.

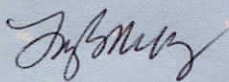

We were able to see several people come to Christ in these meetings and the Lord gave us some good altar calls as well.

The Time.....away was well spent and very profitable for Regina and I. She helped in a lot of the driving and we will be back on the road again in January through May. If you need us to come by and I have not called you, please call me or e-mail me. We have enjoyed being in the churches and look forward to being with you.

A couple churches helped with pulpit supply while we were gone, Greater Portland Baptist Church and Town Center Baptist Church, and we are very grateful to them for taking care of the people of Glendoveer Baptist Church.

Prayer Request...Our other transportation is a 1996 Dodge pickup and it needs front end work that will cost about 1,000 dollars and that truck is really needed.....We also had to replace a furnace with a used one and it 's cost was 1,400 dollars.....and we need Bibles.

May you have a Merry Christmas in celebration of the birth of our saviour!
