Dear Pastors & Friends,

GIVING THANKS

"O give thanks unto the Lord; for he is good: for his mercy endureth for ever." Psalms 136:1

We are so thankful that the Lord allowed us to see a new year in which we can serve Him and praise His holy name.

It is a miracle that Karin and I, are still alive to do His will in our lives by doing our best to witness and win souls for Him.

OUR MOVE TO SAN ANTONIO

The Lord has allowed us to move back to San Antonio, Tx. We had lived in Boerne, Tx, which is about 38 miles west from San Antonio for about 6 ½ yrs. We really enjoyed it there but we were spending a lot on gas and driving back and forth to church. Another reason was there wasn't a hospital in Boerne, just an Emergency Room. Also, our family lives in San Antonio. We are very close to our church-Faith Orthodox Baptist Church, San Antonio, Tx. It takes about 15 min. to the church & from Boerne was about 45 min to an hr depending on the traffic.

CHURCH NEWS

A former lady member & a friend she brought, visited the services. We pray that she will return.

During the Easter week, our church will have special services the 10th-14th of April. They have the 7 Phrases Jesus spoke on the Cross. I will give 2 of the Phrases. Also, the young people will have a drama. There will be special music, testimonies, etc. Pray that people will be saved during these special services.

DOING GOD'S WILL

When asked by our Pastor, Juan Lopez, I am allowed to preach. It is an honor and a privilege to do God's will.

Karin plays the piano and teaches Sunday School and on Wed. night. She also gave a lesson to the Ladies group before the Sun night services. She will be giving more lessons since the Ladies group meets twice a month.

I have gone several times on visitation with the Pastor. It is wonderful to be able to serve the Lord.

HEALTH REPORTS

My results from the Doctor were very good. Praise the Lord for His watch care over us. Karin is doing very well after all her Chemotherapy and Radiation Treatments. There are side effects from the Radiation, which is muscle & joint cramping. The Oncologist wanted to make sure everything was fine after the treatments. They found that she has what is called "Fatty Liver Disease". She was accepted to participate in a clinical research to help her with this disease. With the help of the Lord and the new medication, we are praying for a miracle. We know that the Lord will do His perfect will in our lives.

THANKS & APPRECIATION

We want to thank each one who has prayed for us, especially for Karin during her hard times of Breast Cancer and after her treatments. We want to thank everyone who has sent Birthday, Christmas, Get-Well, and Encouragement cards, and text messages, E-mails and Phone calls.

Also, we want to thank each church and individual who have sent special offerings and financial support. Without your help, we could not accomplish what we have done and will do for Jesus Christ. There will come a time when we cannot witness so now is the time of salvation.

"For he saith, I have heard thee in a time accepted, and in the day of salvation have I succoured thee: behold, now is the accepted time; behold, now is the day of salvation." 2 Cor. 6:2

Only in Heaven will we know the rewards.

Here is our new address:
