Dear Friends,

December, 2019

November – We didn't make the trip to Caracarai to teach at the Bible Institute because the goldminers were protesting and blocked the main highway for several days. Traffic was stopped for several miles and we didn't want to be stopped on the road in the hot sun waiting for the road to be cleared. We felt it was the Lord's will to remain in Boa Vista. The church had a special service on November 9th and the next 3-month period will start again in February of 2020.

Pray for Vanessa, Pastor Werlesson's wife. She had Bronchitis and is still not feeling well. She works at a grocery store to help with expenses, so it has been difficult for them. Pastor Paulo has been sick for 4 days with a cough and loss of voice. Bill preached for him one Sunday night. Others have had stomach upsets, fever and just felt bad. We are having very hot weather, so this affects the health of the people. Pray for us that we might be able to stay healthy.

Pastor Paulo's church celebrated 19 years as a church and had around 80 for the service Saturday night with our other churches present. They had 50 on Sunday night with one salvation. Praise the Lord this church is still preaching the Word.

Sharon has a sore on the top of her head that has not healed. She went to a doctor and she gave her antibiotic pills and a cream to be used for a couple of weeks and then see how it does. Pray it will heal quickly.

THANK YOU for your prayers and support to us and the works here in Northern Brazil! May God bless each of you as you serve Him wherever you are.

Lord, bless those we love this **Christmas Day**, be they near or far away
 Bless good friends who mean so much and those with whom we're out of touch.
 Bless them all, both young and old with all the love their hearts can hold
 Bless them now and through the year with simple joys, good will, and cheer.
 We bring them all to you in prayer and ask you to keep them in your care.
