

## MALAWI MISSION

*"I will praise the name of God with a song, and will magnify him with thanksgiving."* – Psalm 69:30

Our response is big! As Christians, it is our responsibility to make God known to those around us and those under our influence. *"O magnify the LORD with me, and let us exalt his name together."* Our magnification does not change God, but simply makes Him bigger in our eyes and the minds of those around us.

The Malawi trip went well. My desire was to see God in every action and word. I received a warm welcome in the country. I travelled to 9 different districts, held more than 12 meetings, and visited almost 20 villages. Souls were being saved in every village I travelled to. God was with me in every step I made. People are very hungry for the Word of God.

I visited Malawi Camps.... tragedy can lead to opportunity. What is happening in Malawi?

Cyclone Freddy was the longest-living and strongest cyclone in history.

- It hit Mozambique and Malawi on March 1
- Left in its wake over 1000+ dead.
- More than 500,000 homeless.
- Many of these came from very remote areas that were difficult to access with the gospel.
- These People are now being housed in government camps.
- They are now accessible for the gospel.

Why does this matter?

Opportunities to get the gospel out are all around us. It is easy to overlook them; because we are not looking for them. Our opinion would tell us it is not worth the effort.

But our thoughts are not God's thoughts! We should pray and watch expectantly .... God will open doors.

What can you do?

Pray for the men who are following up with these people.

Please pray for Mr. Tisa Mbeye. This man loves God, and he is saved. Mr. Mbeye wants to start the church, but has some difficulties and has no means to make a living. Please pray to God to provide for his needs. God has been so good to me, and I am so grateful for your prayers and support.

My desire is to be like the songwriter who penned, "Take my life, and let it be consecrated, Lord, to thee." - Frances R. Havergal

Thank you for your prayers and support!

All For His Glory,
