When it rains, it pours! June 2018 Prayer-Letter

Dear Praying Friends,

We have heard the expression, “April showers bring May flowers” but June water saturation brings inundations! According to the National Weather Service, reporting on the great flood of June 19-23 in the Rio Grande area:

“Damage estimates were likely to run into the hundreds of millions of dollars, and the breadth of impact was perhaps even *greater* than that of Hurricane Dolly in 2008”. The article said that the area of McAllen and Mission got between 12 and 18 inches in just 3 days! God also gave us blessings!

In May, we had our annual “Women’s Banquet” in which there were 22 women, 15 children of all ages and 6 men who took care of the children and served the meal. The guest speaker was Alejandra, wife of Missionary to Korea, Chuy Palomo. Then Mother’s Day came (bottom left), in which we had 14 mothers in attendance and the choir sang! (Pictured to the right). Through these events we saw **two souls saved**.

In June, we celebrated Father’s Day in which we had 80 present, and 16 fathers (bottom right)! Then junior camp began on the 18th, and we had to go pick them up on the 20th, the camp was flooded! Through these events we had **2 saved!**

Interesting note: We were in a very poor area of McAllen knocking on doors. A 5-year-old boy was with his parents and asked: “Mom, are we in Mexico?” The area was filthy, and we even found a pig in a trailer (to the right)! **Yet two more were saved!** At the end of June, a couple that had visited us in Vacation Bible School last year lost their baby at birth. I preached the funeral and **the father was saved!** The **mother was saved** in this year’s VBS! Yes, **we have had Showers of Blessings!**

Wait! I forgot to tell you about the youth fund raisers for camp, the “quinceañera” we had in May and the high school graduation of one of our youth; oh, and also Vacation Bible School in July! Stay tuned . . .

In Him,
