July 18, 2019 – Updates, blessings and prayer requests!

Dear Praying Friends,

Work in McAllen: Since our last letter to you, we have had 5 baptized, two families join, and 6 saved (one in VBS, 2 in services and 3 on visitation)! We averaged 103 in Sunday School in the month of June! We are contemplating starting two Services in the mornings, and we ask that you pray with us for a bigger place!

VBS: This year, our sending church, Worth Baptist Church, came down and helped us, and they were a special blessing! Melissa Houston did a superb job in

directing the VBS, and more of our people participated in the decorations, and the teaching than ever before! During the VBS, I had a bad fall, hurting my hands, knee & my head over my left eye-brow. we went to a night clinic where they used glue instead of stitches! Praise the Lord for the soul saved and the new family coming because of VBS!

Up-date on the Church Property: We were not able to make a final deal on the property that we wanted so much. The owners had already agreed to an amount down, monthly payments and a balloon payment at the end of three years. A member of our home church gave me some advice on what to look for in this type of owner-financed deals, and I thank God for his advice, it spared us from signing up to something we might not have been able to pay! We do ask that you continue to pray, that God would provide the place and the funds we need. We thank those who have donated towards this need, all funds are in the Church's account and we will continue to give a report of all donations.

Michelle's health: on Sunday the 14<sup>th</sup> at 10:30 at night Michelle had problems for the first time with kidney stones! Though she passed a stone, we are not sure if she has more. This comes as we plan for her being hospitalized in Houston for a week starting the 22nd of July. They will be performing a EEG Video Monitoring test on her to be able to optimize treatment for her seizures. Through it all, she still teaches in Sunday School, plays the piano, teaches piano, and is a wonderful inspiration to her husband.

In Him,
