## **Highlighting The Institute In McAllen November 21, 2019**

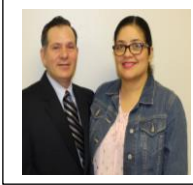

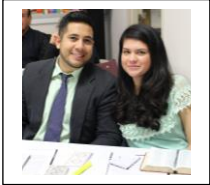

Dear Praying Friends,

In this letter, we want to **highlight our Bible Institute in McAllen**. It was started in 2014 with one student. That student was already a graduate of a Bible Institute in Mexico, but wanted more training. Our thoughts were that he would be used of God here, but God called him to the state of Washington in 2016, where he started a Bible institute in 2018, (the 16<sup>th</sup> institute started out of 18 that use our notes!).

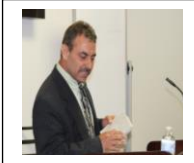

First Student

**Our Bible Institute Students:** we started with one student, then we had two, then four and now in 2019, we have 8 students. From left to right, they are **Eduardo & Nallely Aparicio**, he is my assistant and they are second year students; **Edwin & Berenice Madrid** are first year students and he wants to be a missionary! **Fidel & Ana Rodriguez** and **Rubén & Gloria Reyna** are new students. Please pray for them as they serve the Lord!

**Our Bible Institute Teachers:** We have had only one teacher (yours truly) until this year. In January and February of this year two families came into our church and both were trained in Bible institutes in both Alabama and Texas. They are **Americo Rodriguez and Israel Reyes** (from left to right). Americo taught the Doctrine of Man, and Israel taught the Doctrine of Sin this past month. I am teaching a special course that we call Discipleship III in which we teach how to study, meditate & memorize the scripture and how to develop & use a prayer list. We will give you the results in our next letter.

**Our students give out Bibles:** We had a special "Bible Month" in November in which our students gave out Bibles sent to us by the **Shady Grove Baptist Church of Emory, Texas**. The man pictured to the right is one of the many that received Bibles and several have come to know the Lord also! Thank you Shady Grove Baptist for your help in this project!

In Him,

Daniel L. Jones, Sr.

**With your prayers and support for the institute, you make it possible for us to train Latin American workers, so that they in turn can reach the world for Christ!**
