March 27, 2020 – Seizing Opportunities To Serve

Dear Praying Friends,

We thank you for your patience in our letters. This should have gone out in February! We have been very busy, and since our last letter to you, we have seized many opportunities to serve and be a witness for our Lord.

We seized the opportunity to be a special witness for our Lord during special days such as Christmas in December (top right picture – with Melissa Houston Directing the Choir) and our Annual Couples Banquet in February (2nd picture from the top).

We seized the opportunity to disciple 24 people (4 not pictured here, 3rd from the top). We have another group finishing in April!

We seized the opportunity to go witness for our Lord, and we had a record 38 go out for soul-winning in February! One group pictured 2nd from the bottom). Nine were won to the Lord since our last letter to you! Michelle and I were witnesses during her stay in the hospital, and we won two to the Lord! (More on her health in the Institute letter).

Our people seized the opportunity to not only go to church but in bringing others with them! In our last picture at the bottom of the page, there is a packed house. We averaged in attendance 101 for the months of December through February!

During this Coronavirus crisis, we are also seizing the opportunities God gives us to witness for Him. We will give more details of this in our next letter in April.

Prayer requests: God’s guidance - in buying property, in growing where we are, in wining souls, during these trying times.

In Him,
