May 2022 – Prayer Letter – “... Let us rise up and build.” Neh. 2:18

Dear praying friends,

We want to give you an update on the remodeling of the building we have purchased, but first just a short report for the months of March and April: **we had 10 people saved during this time and our average Sunday School attendance is up to 90!**

God gave us an acre of land with a building on it for \$30,000 down and \$3,000 a month. The biggest blessing is that the man selling us the land is carrying the loan and not charging us a single penny of interest! We will have it paid off in 7 years and one month!

God also supplied funds for us to start the remodeling of the building by way of a grant from the **Jehovah-Jireh Foundation**. They graciously gave \$80,000 for the project. We also received \$25,000 from churches and individuals.

We had to completely gut the building, get new Air Conditioners, redo the bathrooms, and make Sunday School rooms and a nursery. The best part is that we will have our own baptistry! It has been slow going, but what once was a bar is now being transformed into a Church building! I hope that these pictures will be a blessing to you.
