August 2022 - Great Institute Celebration at Anniversary Services of Bethesda in Mexico

Dear Praying Friends,

The same time the church in Mexico celebrated their 31st anniversary they announced that the institute would once again be opening for classes. Just like the church, the institute had to close because of the COVID pandemic last year.

Under the direction of Bro. Roberto Tabares, administrator of institute, the school will open once again, this year. They encouraged those who would have graduated this year not to give up but to finish their last year. A few of the students were able to finish their studies virtually but the last year requires a lot of "hands on" courses that could not be done via internet.

First year students

Second year students

Pictured here are the students that will be starting classes this year. This does not include 19 others that are planning on taking some of the classes "virtually."

Third year students

The Bible Institute in McAllen will also be starting once again this year. Please pray for the four students that we had last year. Pray they will be willing and ready to start back this year, and that they will stick by the stuff until they graduate. Pray also for some prospective students that are thinking about starting this year.

In Him,

Daniel and Michelle Jones

You make it possible for us to train workers in Latin America, so that they in turn can reach the world for Christ!
