

I understand that the work here is young, but in every step of this ministry, God has worked to show His hand behind it! We have no idea what He might do through some individuals and churches whom God has blessed financially who have a heart for missions. So we are making it known, we are praying fervently, and we are looking to see what the Lord is going to do!

Rhome is a small community, with developed properties like this one being rare (especially at the price being asked). The city is about to experience great growth over the next several years, and what land and buildings are in town, even in our area, will very soon increase greatly in price. I have searched for permanent properties since before we began (and even after obtaining our current lease), and this property may be the most fitting one for us that could have become available. It has a larger parking lot, several Sunday school rooms, and an auditorium that would seat well over 150 persons. This is why we felt led to see what God can do!

Thank you for prayers, and what God may lead you to do to help us secure this church building and the land it sits on.

“Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths.”
Proverbs 3:5-6
