

The Young Family, Missionaries to the People of Honduras

"Come over... and help us!"
Acts 16:9

dry out their belongings and try to return to life as soon as they can.

We had the opportunity to go into some of the aldeas (villages) and see the results of the flooding first hand. We delivered food and necessities. Also, we shared the Gospel with many people. Please pray that they understand that God not only gives bread, but He is the Bread of Life.

Honduras is finally starting to open a little more every week. Back in March, churches were forced to close. One of the churches I will be working at here has now opened and services are resuming as normal, but with biosecurity measures in place. Pray that all the churches here continue to grow even in times like these.

We thank you all for your continued prayer and support. We are honored to represent you and Christ here in Honduras. It is exciting to see God's plan in action.

Prayer List:

- Our learning of the Spanish Language
- More opportunities to share the Gospel
- Our family adjusting to a new country and culture
