Greetings from Spain,

After landing in Texas around midnight on the first of March from Honduras, we spent most of March and April in Texas on furlough. We were not able to rest much during this time. We visited some of our supporting churches and several new churches in different parts of the Lone Star State. And, importantly, we made time to see our family are scattered between Houston and Wichita Falls, Texas. Some of them we have not seen since 2020.

After a busy and fruitful furlough, we arrived in Spain on April 30. We know we have much ahead of us as we begin dealing with Spanish customs and immigration, finding a new home, and starting a new ministry. We ask for prayers during this time of transition.

After much prayer, we believe it is best to spend about six months to a year working with another Baptist missionary here in Spain. We will be helping in the city of Murcia (the capital of the region) and his new work in San Pedro del Pinatar. We believe we know where God wants us to place a new church, which is about an hour or so from where we currently are, next year.

We thank you for your continued prayer and support for our family as we serve our Lord and Savior, Jesus Christ.

In Christ,
The Young Family
