

## GREETINGS!

Dear Fellow Laborers,

We are excited to have started the deputation chapter of our lives. As the month of September approached, we felt God guiding us to go full time into ministry. As August came to an end, we began to shift our focus from our secular jobs and finalize all we needed to start deputation.

We almost immediately felt the enemy begin to attack us as our time to have COVID arrived. We are grateful we had a mostly mild case and were able to overcome the virus before we began our travels!

We left the RV park we had been staying at for about a year on the 16<sup>th</sup> of September and headed to Duncan, OK for our first meeting. We had a wonderful time as we served at the church and gave our presentation for the first time. We are grateful God gave us the opportunity to meet some of our great brethren in the faith.

The following weekend we had our second Missions Conference in Gatesville, TX. We were able to partner with the Martins, missionaries to Portugal, and Evangelist Monty Martin and his wife in serving the church and presenting our mission to them. We had a wonderful time of fellowship that weekend, and on Sunday evening, the church voted and took us on for support – PRAISE THE LORD! The blessings continued that week when we visited another Baptist church in Haslet, TX who also took us on for support! God is so good! We are excited to continue to meet pastors and churches as we seek to serve them and raise support to get to the mission field of Southern Brazil.

We are so grateful for all the prayers from our home church family at Worth Baptist Church and for all the support we have from them! We are grateful for the protection God has given us, and look forward to all He has in store for us as we travel on deputation. Please continue to pray for our travels and meetings as we stand for truth, seek God's guidance, and serve in the churches we visit.

In Christ,

Jeremy & Joneia Bennett
