Missionaries to Caxias do Sul, RS Brazil

April, May, June  
2023

This quarter, we had three major holidays: Easter, Mothers' Day, and Dia dos Namorados (Brazilian Valentine's day). We had several visitors for each of these events, and many people visited our church for the first time and heard the gospel. Even our contractors, David and Thayani, came to the Dia dos Namorados event! Joneia has been able to talk with them on a few occasions about spiritual things. Be praying that those seeds planted will grow.

April and May were perhaps some of our most normal months. Our home renovations are going well, and our house should be finished within the next couple of months. Meanwhile, we have been diligently working in our ministries and preparing the property for winter. It doesn't feel right to be heading into winter in the month of July, but I guess it's something that I am going to have to get used to. At the end of May, we visited Joneia's family's work in Manaus, Brazil. We visited for the 50<sup>th</sup> anniversary of the Bible Institute, started there by Joneia's grandfather Joe Hawkins. It was a fantastic experience to see the work being done there.

While we were there, Joneia contracted Dengue Fever! She returned home and had an almost 104-degree fever! After about two weeks, she has fully recovered. Both of us have been dealing with illness this last month, so please be praying for our health. We also just celebrated our seventh anniversary on June 30<sup>th</sup>. I thank the Lord for such a wonderful wife.

Keep praying that the work here will continue to grow, that more people will be saved, and that God will continue to work in the hearts of the people we encounter.

Thank you so much, and God Bless you.
