February / March 2021

Hello-How-Are-You, (Put an Indian drum beat to that and repeat twice)

"A merry heart doeth good like a medicine: but a broken spirit drieth the bones".

Proverbs 17:22....After a year like 2020, we need to replace the frowns with some good giggles and laughs.....and again, the next time I see a wooden Indian, I am gonna draw a big smile on his face.

February was a good month in church attendance and fellowship with God's people. Our Church joined services with the Baptist church in Madras for a Valentine's Day banquet and we really had a great time. There were about 45-50 people there and even had Elvis show up. (It was the Pastor of the church, now we know what he did before pastoring....he was good! We even took couples pictures and all the ladies took home a box of chocolates.

We also had a giveaway where we provide food, clothing, furniture and a lot of everything that we can collect. First Nations in Portland has been very helpful, along with Rolling Hills Missions, and Beaver Creek Ministry. It all went so well and we didn't have much of anything left. We got to serve about 35-40 families to help them through the winter months.

We are looking forward to March so we can get our "Reaching Out Evangelism Month". Pray for good weather to come early so we can share the good news in the community. We are also planning to have Spring Revival at the end of the month! It seems each year we think that it was the best, but it gets better and better.

While things seem to be going well, we did have some bad news come last week. If you remember back in September 2020 news letter, we asked you to pray for a missing person named Tina. She was found dead and we had her funeral last week. I remember the last conversation with her and she said, "Pastor, I will not always be like I am, one day, I will change". She was an unsaved woman that put it off once too many times.

Keep praying for the Spino Family....

Pray for our Good News club on Wednesdays after school

Pray for the children's ministry

Pray for my wife, she is going through some gall stone issues (Painful to be sure)

Pray for a good reaping of what has been sown

Thank you for Jesus Sake,

Larry G. McKinney
