Dear Pastor and Church,

We trust that all is well for you and your ministry there. We appreciate your prayers, especially during this time of Alba's sickness. We are excited about returning to Honduras soon, November 5<sup>th</sup>. We will hit the ground with our feet running, as they say. The next day a medical group will be arriving to work in my parents' mission church for a week and we will be helping them. Also, we hope to be able to start having all of our services in person in November. The Lord willing, we will be starting services in the nearby village of El Pacayal in December. We are happy about continuing in the ministry in Honduras, in Honduras! We praise the Lord for Alba's good reports from the Doctor here.

As we return, we need to increase our monthly support and raise funds for a special need. Two days before we left Honduras last month, our submersible water well pump burned up. This is going to cost at least \$3,000.00 to repair. Please pray with us about that need.

It is a privilege to be your missionaries to Honduras. We would like to ask you to please consider increasing the amount of our monthly support. We need to raise about \$500.00 a month more support. If not, maybe you could send a special offering. But do please continue to pray for us.

Thank you and God bless you. Please respond via our email address, [lesliepriday@gmail.com](mailto:lesliepriday@gmail.com)

Yours with **Hope for Honduras**,

Leslie & Alba Priday
