JUNE 2019

Dear Pastor and Friends,

What a joy it is to serve the Lord and to see him work in mighty ways. We are seeing prayers answered and spiritual growth. We are thankful for you, our prayer warriors!!

We continue to pray for Isabel. She had a masectomy. They said they got all of the cancer but wanted to give 23 radiation treatments. Now they want to do more tests.

Chicken pox was going around the barrio a few weeks ago. We had 3 folks in our church alone who contracted it. Also dengue is rising again. Please pray for our people.

Mother's Day in the Dominican Republic was the last Sunday in May. Each mother was recognized and given an umbrella (very important to have in this country). They were very excited to receive the gift Here are a few of the ladies who received the umbrellas.

We had dinner on the grounds the third Sunday of June. There were many visitors who were able to hear the Word of God and the plan of salvation. We know the Word of God will not return void. Please pray with us that those who heard will be saved.

There is a need for a new fence and gate which secures the property. The cost will be about \$700. Please pray with us that we will be able to replace the fence.

Thank you for your financial and prayer support. We are grateful that you are partners with us in declaring the Gospel to the Dominican souls. I Cor. 3:9
