And of some have compassion, making a difference... Jude 22

Feb-April 2022

To our supporters,

The cooler months are behind us now and May looks to be a hot one. Please keep our folks in your prayers hot weather sometimes brings out the worst in those who sleep outside dealing with the heat and bugs.

The last 3 months have been a blessing, we were able to witness 16 salvations and 3 baptisms. Sunday services have averaged 40 and Wednesday morning service has averaged 30. Our day counts have been very impressive, it's good to have so many sober church people.

The auditorium does not have A/C so we have bought a dozen fans in hope to keep it comfortable. We are still in need of a van and the ability to keep the ones we have running, some of our vans are having A/C trouble.

God has been very good to us and we are looking forward to see what the Lord has planned for us this summer. Thanks for all that you do for this ministry we are so thankful for every one of you.

Serving Together,

The Griffins
