

On October 30th we're launching a ministry to the young married of our church, which also includes those who are engaged. We cherish your prayers for this ministry. There are currently three couples that can participate, two of which confirmed their presence already for the 30th. One of the husbands, Tulio, is not a born-again believer.

We have in planning our end of the year activities, which include a church family barbecue on our property. We'll be using the facilities which are planned to be for church camp. Due to logistics and finances, the grounds and buildings are not yet ready for any overnights and large groups.

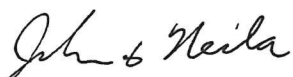

It is our strong desire and prayer to God that we'll be able to complete the camp project before our daughter and son-in-law arrive to work with us. Jeremy and Joneia Bennett have begun their deputation travels to raise support. When you pray for us, please remember them too in your prayers.

Our prayer requests:

- Our Stateside travel plans for the upcoming wedding and short furlough.
- Blessings of the Lord upon our ministry to the older youth and young married.
- Our camp project to be completed within the next two years.
- The evangelistic outreach and spiritual growth of the congregation here in Caxias do Sul.

Thank you and Lord bless you for the prayers and financial help you give to us and our ministry here in Southern Brazil! We have so much to be thankful for. God bless!

In His service,

John & Neila Yelle
